

## Dene Valley u3a Emergency Contact Form

The information listed below is required to support the group leaders should an incident occur during a group activity whether it be in a meeting at a members house or on a visit or trip. The Emergency Contact details and medical info will be held on the Dene Valley Beacon System for use by Group Leaders. We regard the privacy of your personal information as very important and we have adopted a Data Protection Policy which will remain under review and is available on the "Join Us" page on the Dene Valley Web Site.

|                                                                              |  |
|------------------------------------------------------------------------------|--|
| Name                                                                         |  |
| Surname                                                                      |  |
| Date of birth                                                                |  |
| Emergency Contact Name:                                                      |  |
| Emergency Contact Tel:                                                       |  |
| Emergency contact Relationship:<br>(Spouse, daughter, son<br>neighbour etc.) |  |
| Medical conditions to be aware of in case of an accident                     |  |
